

*Report to the  
Auburn Urban  
Development Authority*

Action Item

Agenda Item No. **3**

City Manager Approval

**To:** Chair and Authority Board Members  
**From:** Bernie Schroeder, Director of Public Works *BS*  
**By:** Carie Huff, Associate Civil Engineer  
**Date:** October 10, 2011  
**Subject:** Amendment No. 1 Gularte's Agreement for Streetscape Phase 2 Project

**The Issue**

Shall the Auburn Urban Development Authority authorize Amendment No. 1 to the professional services agreement with Gularte & Associates for geotechnical/materials testing services for Streetscape Phase 2 construction?

**Conclusion and Recommendation**

Staff recommends that the Board, by **RESOLUTION**, authorize the Public Works Director to execute Amendment No. 1 to the professional services agreement with Gularte & Associates for geotechnical/materials testing services for Streetscape Phase 2 construction in an amount not to exceed \$10,000.

**Background**

At the April 25, 2011, the Auburn UDA awarded the Streetscape Phase 2 project to Hansen Brothers Enterprises. Gularte & Associates was contracted to complete the materials testing on the project in an amount of \$4,800 which had been included in the overall project budget. However, materials testing services for the utility trench backfill and sidewalk subgrade cost \$10,000. Staff is requesting authorization for an additional \$5,200 for geotechnical/materials testing services.

**Alternatives Available to Council; Implications of Alternatives**

1. Accept staff recommendations
2. Take no action.

**Fiscal Impact**

The cost for the geotechnical/materials testing services is in an amount not to exceed \$10,000. Reimbursements from PCWA for waterline improvements in an amount of \$98,000 are expected to offset the additional \$5,200 that was not accounted for in the original budget estimate.
